EPAM Systems	<i>2013</i>
· ASP.NET MVC - EPAM traning	<i>September - November</i>

SPHERES OF INTEREST

- Programming languages
- Artificial Intelligence
- Web development
- Mobile development

WORK POSITIONS

- | | |
|---|--|
| Belarusian State University of Informatics and Radioelectronics
<i>Technician</i> | July 2014 - Present
<i>Minsk, Belarus</i> |
| · Participating in international ML research project | |
| Rubyroid Labs, LLC
<i>Junior Ruby Developer</i> | July 2014 - Present
<i>Minsk, Belarus</i> |
| · Participated in all stages of design and development on many projects. | |

COMMUNICATION SKILLS

English	intermediate
Russian	native
Belarusian	native

SOME FACTS

- I am very interesting in web development. I addicted to Ruby on Rails framework.
But I always want to move on and explore new.
